FREQUENTLY ASKED QUESTIONS

- 1** **What do the daily activities and classes look like?**
Every day, the campers have a full daily schedule packed with fun and learning. On weekdays, they have classes in Armenian Language & Heritage, Arts & Crafts, and Religion.
- 2** **What does spiritual development look like at camp?**
We "bookend" our days with spiritual development. Using an abbreviated version of the Armenian Church's Hymns of the Morning and Evening Hours, we join in prayer to start and end our days as well as daily reflections from our clergymen.

- 5** **Does Hye Camp offer scholarship opportunities?**
We encourage our campers to reach out to their parishes to see if they are offering any camp scholarships. We also offer a need-based Diocesan scholarship that can be accessed through our website.

ABOUT US

Hye Camp provides a physically, emotionally, and spiritually healthy environment in which young Armenian-American Christians can grow and flourish as they learn about and develop a deeper understanding of their Armenian faith and culture.

Hye Camp is housed at Camp Hickory in Ingleside, IL. It is located north of Chicago and south of Milwaukee within an hour from most of our IL and WI parishes, and a long bus or car ride from our MI and OH parishes.

VISION & MISSION

- 1** Hye Camp invites all children to experience a place where Armenian faith and culture are nurtured and nourished, a place every child can call "home."
- 2** In achieving its goal to offer all youth a fulfilling experience, the program focuses on a well-rounded blend of Armenian religion, culture, language, history, dance, music, arts, and fellowship.
- 3** The campers are under the constant supervision and care of qualified counselors from throughout our Diocese who are specially chosen for their concern and devotion to our Armenian youth. Our instructors and staff strive to help each child reach his/her potential through success-oriented experiences.
- 4** One of our favorite things is seeing the kids of Hye Camp alumni come of age to be campers themselves. We take very seriously the call to nourish our youth in a physically, emotionally, and spiritually healthy environment, and we know this love will last for generations to come.

The second you step onto campus,
you are part of our family!
The friends you meet here will last a lifetime!
